

LLOYD TIMOTHY MCKIBBINS

AN INSPIRATION TO MANY

Pastor McKibbins serves as the current Pastor of the *Church of Atlanta Lighthouse* for the past 8 years. Serving with the objective to train and equip the body of Christ to have a mind-set of spiritual growth, rather than being religious; building tomorrow's spiritual leaders, by teaching the Word of God.

Pastor McKibbins is a native Atlantan that was saved at the young age of 10 years old, with the gift of the Holy Spirit. At age 13 he began his service to God and the Church of Atlanta Lighthouse, as the church organist. For the following 26 years Pastor McKibbins played, sang, and ministered to many of God's people in various types of worship services. He was proven faithful and anointed. Those years of service proved to be a strong foundation for his better understanding of the needs of ministry and the many sacrifices that are often built-in along the way. In his time as the church organist he accompanied many artists and ministers, which have helped to craft Pastor McKibbins' own sensitivity to the delivery of God's Word and worship. He has learned to recognize a move of God and has been seasoned with wisdom to evaluate individual scenarios respectively, to ensure that he is in line with the Word, to achieve what God has for His people.

A WILLING VESSEL

In August 2002 Pastor McKibbins was publically ordained by his Pastor, Bishop M.D. Spires. He served for a number of years as Co-Director of the Rays of Hope Youth Ministry. Pastor McKibbins served for many years on the Prison Outreach Team, ministering at the Federal Penitentiary near the Church of Atlanta Lighthouse. In 2008 he was installed to the office of Pastor of Church of Atlanta Lighthouse. Currently Pastor McKibbins serves in many different capacities of ministry to promote and organize many facets, including: Men's Fellowship Coordinator and a depositor of the spoken Word.

Pastor McKibbins has been happily married for 24 years to the love of his life, Lady Candee McKibbins. They are the blessed parents of two sons Christopher (Audio Tech) and Bradley (Musician), both of whom work in the ministry, alongside their parents. Pastor McKibbins comes from a line of clergy both from Patriarchal and Matriarchal. His grandfather pastored for 60 plus years (Baptist Church). His grandmother was an Evangelist for over 50 plus years (A.M.E Church). His father was a Pastor/Evangelist and accomplished

musician. His mother is a Pastor/Evangelist. He also has aunts and uncles who are Pastors/Elders/Ministers. Because of the biological foundation from whence Pastor McKibbins came, he has promised the Lord that he is willing to cross denominational, racial and ethnic barriers to help save his generation. He walks under a heavy prophetic anointing and is driven by his passion to know the Father’s Heart.
