Bishop Mckibbins was installed as the shepherd of Church of Atlanta Lighthouse in 2008 by his Pastor, the late Bishop M.D. Spires, and consecrated as Bishop in 2022.

Serving alongside Bishop Mckibbins is the love of his life, Lady Candee Mckibbins and their anointed sons, Christopher & Bradley Mckibbins.

While being elevated in the ministry, he was also elevated in the marketplace. Bishop Mckibbins led a successful career of 23 years in management, for one of the nation's top Fortune 50 companies. He is recognized as a community leader with the *One Race Reconciliation Movement*, chosen member of the Now/Next Focus Group at Beulah Heights University, and serves as a committee member of the United Negro College Fund.

Among his spiritual gifts, Bishop Mckibbins walks under a heavy prophetic anointing and is driven by his passion to know the Fathers Heart. He is humble in all of his accomplishments and gives all glory to the most high God. Bishop Mckibbins lives his life by two simple quotes: "My Life is by Design" and "Holy Spirit, I give you permission to work in my life."
